… Respondents.

THE HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION No.22394 OF 2005

ORDER:

It is the case of the petitioner-association that there are 417 persons belonging to it, who were granted pattas. It is their grievance that when some of the members were carrying on repairs/renovation of their houses of the land assigned to them, the respondents obstructed without following due process of law. A detailed counter affidavit is filed denying the same and it transpires that allegedly only five of the members of the petitioner- association could produce their pattas when the enquiry was conducted. There is very scanty material on the record to come to a conclusion whether all the pattas granted to all the members or to some of the members of the petitioner-association are genuine or forged.

At the behest of the association, the grievance of the members cannot be redressed. If any member of the association or any person who was granted patta and constructed house or hut pursuant to said patta is aggrieved by any highhanded action of the respondents can approach this Court for appropriate redressal. Liberty is given to those persons to file either individual or joint writ petitions. In view of this, the learned counsel for the petitioner seeks permission to withdraw the writ petition with liberty to file fresh writ petition/s by the members themselves.

Such liberty is reserved and the writ petition is accordingly dismissed as withdrawn. There shall be no order as to costs.
